Notes

White on dark blue = New all-campus requirement

- (1) "All campus" = All employees working at least 1 day a week in or on UCSD owned/leased facilities or property. Excludes all 100% remote
- (2) Active Employee attributes in UC Path (**exclude all casual: restricted**):
 Job Indicator = Primary
 HR status = Active
- (3) Options:
 Primary Location - The primary location within a building where the work is performed. Offices are the most common.
 Secondary Location - Location(s) where work takes place within a building but are different from the Primary Location.
 Check in Location - The job role requires work in varying locations, such as patrol officers, landscape workers, maintenance workers, nurses, etc.
- (4) If your non-remote work location (building, floor, space) information is not available in Tririga, contact rmpfeedback@ucsd.edu.
- (5) Cluster requirements do not apply to UCSD Health System organizations at this time.
